SCHOOL STARTS  
**09/08/2020**

School for both students doing virtual learning and On-line LSR7 Academy will begin September 8th. Student schedules will able to be viewed in PowerSchool on September 2nd. The link below lays out expectations for our virtual learning students and those who selected the Online LSR7 Academy. Daily schedules for virtual learning students are also in the link. **Virtual and Online Academy Learning Expectations Link**

**VIRTUAL MEET - THE TEACHER 09/09/2020**

Our Virtual Meet - The Teacher will take place on Wednesday, September 9th. Families will have the access to materials from their child's teachers available throughout the day. There will also be helpful hints and resources for successful online learning from our school librarian. More info to come next week.

**SUPPLY AND CHROME BOOK PICK UP**

Students who are enrolled in **Regular 7th or 8th Grade Math** will have subject supplements (calculators and workbooks) for their classes (virtual and online academy). Those will be available to drive-thru and pick-up on Thursday, September 3rd between 1:00 pm and 6:00 pm and Friday, September 4th between 8:00 am and 11:00 am. Also, chrome books for new students to the district and those turned in for repair from the spring will also be available during that time.
First Day of School: September 8th

7th Grade Transition Day Update

7th Grade Transition Day has been postponed until a return date for hybrid learning has been announced.

Student Schedules

Student schedules for Virtual Learning and Online Academy Students will be view able on September 2nd.
FALL SPORTS UPDATE

A few shots from our Mustang Cross Country Team!

"Never say never, because limits, like fears, are often just illusions."
- Michael Jordan

Just a reminder that all 8th grade students must be up to date on their vaccinations in order to begin school. You will find a link at the bottom to the required vaccines from the state of Missouri. Please call us if you have any questions or concerns.

Being with my family and friends and exercising.

Pop or Soda??
I say soda-pop

Vince Woods- German

Where did you go to college? UMKC (Go Roos - #RooUp

Favorite Past Time- Singing in both amateur and professional choirs

Pop or Soda? Pop
Hello BCMS mustangs! My name is Natalie Holder and I am one of your School Counselors! I am excited to welcome you to a new school year in Mustang Nation! I was born and raised in Lee's Summit and it is wonderful to work in the district where I attended school. This is my third year as a middle school counselor. Each day is new and exciting and I look forward to all of the fun memories that are made in middle school. When I am not working with BCMS students I spend my time coaching swimming, biking, hiking, and cooking new recipes. I look forward to meeting our students either virtually or in-person! I work with students whose last name begins with A-D.

Welcome to the 2020-21 School Year. I hope the school year has started off well for each of you. I would like to introduce myself; I am Colleen Schieber and I am one of your School Counselors. I am a Kansas City, Mo. native and remember when Lee's Summit was just developing and had gravel roads all around. My husband and I have 4 children, ages 21-28 so we are quite busy with College activities and moving kids around the country. Here at Campbell, I take care of students whose last name begins with the letters E-M. BCMS has been my home for 10 years and being a part of Mustang Nation is fabulous. I look forward to working with students in the classroom, during group activities and individually throughout the day.

Hi, I'm Sheryl Fender and welcome to Mustang Nation. I started my career as a student teacher in Lee's Summit and have worked in the Lee's Summit R-7 School District since that time except the few years I was home with our daughters. My other experience in the District has been as an elementary and high school counselor and the District Wellness Coordinator.

My husband, Roger, and I have two daughters. Lee's Summit has been my home the past 30+ years and I have loved watching the transformation of our schools and community. I appreciate living in a city that has been able to maintain a "small hometown feel". Middle School is full of transitions and excitement. Mustang Nation is a great place to work. I assist students whose last name begins with N-Z. I look forward to working with our students at BCMS.

Please visit our BCMS Counseling website at http://bcms.lsr7.org/ to learn more about our program offerings.
