

Yearbook Photos for Online Academy Students

The yearbook staff wants to ensure that all our students are part of this historic yearbook. We need your help!

Please share a photo of your child in their home “classroom” by following the instructions below. If all goes well, we will be able to add the photo to this year’s yearbook.

1. Take a great photo of your student where they work.
2. Visit the website Yearbookforever.com
3. Our full school name is Bernard C Campbell Middle School
4. Click on Community Upload at the top of the page.
 **Community Upload** - Submit photos for your school's yearbook!
5. The password is MustangYearbook.
6. Upload the highest quality you can with a maximum of 25MB
7. Place your student’s name in the “add a note” section. They are free to write a caption for their photo.
8. Place in the topic folder *Everyday Life*.
9. Submit!

We’ll take it from there!

Also, if there are any other moments you feel reflect the challenges of this year and should be in the yearbook, please share as well.

Thanks for your help!

Ms. Susanne Mitko
Mrs. Lauren Schlesselman
