LSR7 Hosts Inaugural Choose to Include Event

The Lee's Summit R-7 School District and the Special Olympics hosted its first-ever Choose to Include Event Wednesday.

More than 500 students participated in the field day at Lee's Summit North's stadium. Peer buddies joined special services students who are eligible to participate in Special Olympics at different stations around the football field and track and participated in group and individual sports.

The Kansas City Chiefs also stopped by, bringing their mobile training lab, Chiefs cheerleaders, KC Wolf, the drumline, and former player Gary Spani.

In addition to encouraging inclusion in all LSR7 schools, those peers who participated in Choose to Include were given a glimpse into what it could be like to participate as a Unified Partner. Unified Partners play in sports alongside our Special Olympics athletes. Currently LSR7 has Unified basketball, bowling, and track and field teams.

LSR7 Special Olympics Coordinator and BCMS Library Clerk, Dawn Jones, was interviewed on KCTV5 about the LSR7 Choose to Include Event. Check it out here: [KCTV5 News Clip](#)

Lee's Summit R-7 Schools District Athletics & Activities

The interscholastic athletic/activities programs of the Lee's Summit School District have a lasting impact on students. Through character-based programs we prepare students to become adults of integrity and compassion who model excellence in all aspects of their life while meeting the district's mission of: "We Prepare Each Student for Success in Life."

5 Staying Connected

6 Sportsmanship

7 Cheer & Dance

YOU'D LOOK GOOD IN STRIPES! AND YOU'LL BE HELPING THE TEENAGERS IN YOUR COMMUNITY.

There's a shortage of high school officials in almost every sport. In some communities the shortage is critical and high school games are being either postponed or cancelled. Becoming a high school official is the easiest call you'll ever make. High school officials protect the integrity of the games our kids love to play by demonstrating qualities like honesty, objectivity, consistency, courage and common sense. They have the opportunity to help teenagers learn life lessons that will benefit them for a lifetime. As veteran officials continue to retire, new officials have an opportunity to make a huge difference in the lives of hundreds of young people every year.

Consider the many benefits of becoming a high school official:

- You'll be a role model for the youth in your community
- It's a great way to stay in good physical condition
- Hours are flexible
- You'll earn extra income
- You'll expand your network of friends and have fun

Bernard C. Campbell PTSA

A Message from BCMS PTSA President: Will Dyson

Greetings Mustang Nation family,

My Name is Will Dyson and I am the President of the BCMS 2022-2023 PTSA. We are in a rebuilding year as the pandemic reduced what we were doing to near nonexistence. We are back and getting strong once again. The PTSA endeavors to add a stronger cord of community and unity in our schools by supporting Parent, Teacher, and Student relationships. We try to add activities for member families outside of school, so that our personal relationships are bigger than just sitting in classes together.

Making this happen requires some work, but many hands make the work much lighter. The PTSA is always looking for parents that enjoy being involved in making the community at BCMS stronger. We still need more board members, a VP, and a secretary for meetings, and planning. We also need help with hospitality, committees (such as reflections), and concessions. Parents will find an email address on the BCMS PTA website to volunteer. When we all give a little, we all have a lot more time to enjoy together.

Family memberships are currently \$15, and 100% of that funding will stay in the school. This funding will allow us to bring members activities at Sky Zone, Main Event, and others. It will also allow us to give the teachers and the school little perks that will help them to enjoy their work more, and that in turn helps students to enjoy greater learning opportunities.

We also will also encourage parents to help their kids get the most out of their time in school. Teachers can't do it alone. Kids need their parent's help to get the most out of school, be their best and brightest, both now and in the future.

You can join the BCMS PTSA on the school website. Home - Bernard C. Campbell Middle (ch2v.com) You will find links there for joining the PTSA with membership, and links for volunteering. We look forward to seeing your names there and will communicate more in the future. If membership dues are a hardship, please let us know at the email address under the volunteer link, on the PTSA webpage. Together the future is brighter for all of us. Let's make the 2022-2023 school year the brightest year yet!

NASP Archery Coach Certification Course

Mustang Archery along with the Missouri Department of Conservation will be hosting a National Archery in the Schools (NASP) Beginning Archery Instructor Certification course at Campbell Middle School the evening of October 5, 2022.

Obtaining certification will allow a student (18 or older) or parent to assist with coaching archery for their respective archery team(s). The class is scheduled in Campbell's Auxiliary gym from 5 - 9 pm on October 5. This is a hybrid course in which the participant completes part of the class on their time at home and the remaining portion, including range safety and test, is provided in person. If you are interested in taking the course, please use the following link to sign-up. If you have any questions, please email Coach Kam Wheeler at kameron.wheeler@lsr7.net.
