ANNOUNCEMENT!

Dear Families,

Great news! Starting October 24, 2022, we will have a facility/therapy dog at Bernard Campbell Middle School. Our facility/therapy dog is named Zoe and she is a graduate of the not-for-profit training program by Warriors Best Friend, Operation Schoolhouse.

As a school community, we will be teaching our students about interacting positively with Zoe. We know students will be excited about this opportunity.

We also understand some students may be allergic to dogs and or fearful. If you would like to opt your student out of interacting with Zoe, [please complete this form](#) so we may be able to honor your and your student's wishes.

We are excited about the opportunity for Zoe to support our students in the areas of social, cognitive, emotional, and overall well-being!

Everyone loses things now and then. When students lose something, they can look for it in Lost and Found. When students find something that belongs to someone else, they can take it to the Lost and Found, which is located outside of STAD.

If no claim is made by the end of the month, all items will be donated.

For questions about missing items, have your students check lost and found, visit STAD or call STAD: 986-3184 or the front office: 986-3175.

Meagan Schaefer, RN & Elizabeth Riggins, LPN

816-986-3199 or 816-986-3179

Medications given at school require:

• Parent/Guardian needs to walk medication into the Health Room. Students CANNOT transport medications. Medications brought in by students without proper documentation will NOT be administered and a parent will need to complete the correct forms before medication can be given.

- Written parental permission for prescriptions & over the counter medications. Forms can be found on the LSR7 website under Health Services. Link- <https://www.lsr7.org/departments/support-services/health-services>
- Prescription medication must be in the original bottle with the current order on the label.
- Must indicate a time on the bottle OR a separate order is needed. Rx must be current.
- Over the counter medication must be in the manufacturer's container and must be kept in the health room for student to use as needed. Medication cannot be expired.
- Students may SELF-CARRY inhalers and EpiPen/AuviQ's – self-carry form must be on file for each school year. (See forms - click link above)

To protect all students from contagious illnesses, students must be:

- Free of continuous coughing.
- Free of vomiting or diarrhea for 24 hours before returning to school.

Activity Restrictions/Injuries:

- Students need a Doctor's note explaining what restrictions are needed for school, such as an elevator pass, P.E. limitations, etc. The doctor's note should include an end date for restrictions. Provide this note to your school health room.
- A parent note is good for 1 P.E. class at the secondary level.
- If your student needs a wheelchair, walker or any other assistive device for mobility, it will need to be provided from home.
- Concussions- Students MUST be cleared by a doctor BEFORE returning to SPORTS/ACTIVITIES. Review the concussion protocol by going to the athletic page on BCMS's website. Then click forms.
