Mustang Guard Rates Superior at State Contest in Springfield!

BCMS Concert Band Goes to Contest

The 7th and 8th grade bands traveled to Liberty North High School and performed in the Kansas City Metro Band Contest. Both groups played fantastically at this event and represented our school well in front of a panel of judges. The 8th grade received a 1 rating which is the highest rating a performing group can receive. The 7th grade was one of three 7th grade groups performing at this event and received a 2 rating.

WE NEED YOUR HELP!

We are excited to have a few opportunities coming up that we need your help with! We need help with a painting refresh, our upcoming dance and the Mustang Color Run! If you see an event you would like to help with just let us know and we will send out more information on that event! Some events will have a cap on volunteers based on the size of the event. Thank you for your help!

IMMUNIZATION REMINDER

Message From Your Health Room: If you are the parent of a 7th grade student, the state of Missouri requires students to have received a Tdap and a Meningococcal (MenACWY) vaccine prior to attending 8th grade. We will need a record of these being administered on file at the school prior to your child receiving a schedule for next year. If your child has already received these immunizations and you have not provided the updated record to the school, please send it to the Health Room at your earliest convenience. Questions - (816) 986-3210

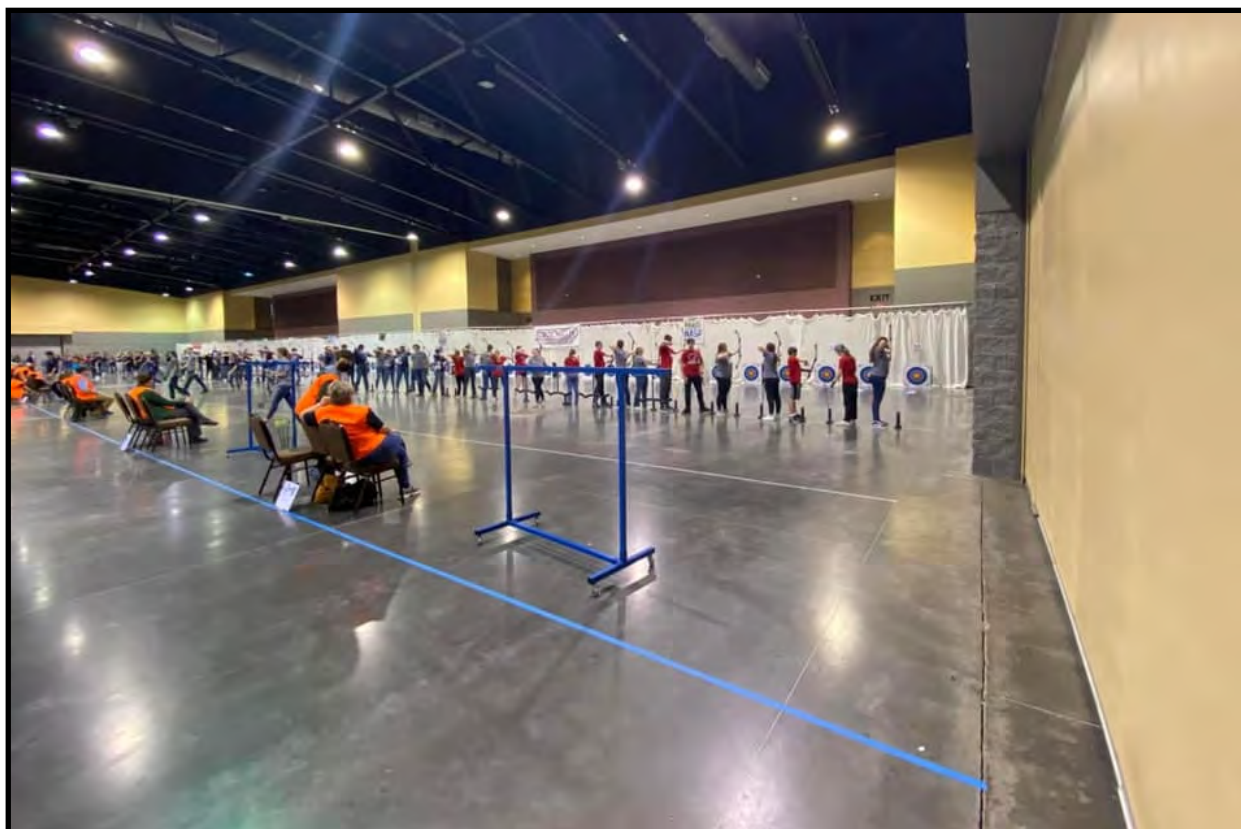

ART CLUB MEETING

Art Club

Next Meeting is April 12th After School from 3:15-4:40 PM- Students must have a ride to attend.

ARCHERY PLACES 8TH AT STATE CONTEST

The Mustang Archery Team had a successful flight at the Missouri State Archery Championship Tournament this week! The team took 8th place out of 54 teams from throughout the state (only 30 points separated 3rd-8th place), set a new team high, and several archers set or tied personal records. Thanks to Coach Wheeler and Coach Case and all of the volunteers for making this such a tremendous year!

MAP Testing Schedule: MAP testing will take place Monday, April 25 to Thursday, May 5. This year, our students will be testing in their content area classrooms. Please help us by avoiding appointments and ensuring students are in attendance - especially during their testing blocks.

Headphones/Earbuds: Students need to bring headphones/earbuds for testing.

No Cell Phones/Smart Watches: Due to state testing requirements, students must leave their cell phones in their lockers during testing. We suggest students leave their phones at home or secure them in their locker. Also, students will not be allowed to use e-readers or cell phones **after** the test for reading. We encourage you to find a good paperback or hard copy of a book to have on hand should a student finish testing early.

Rest and a good breakfast: Please help your student get plenty of rest and eat a good breakfast, especially during testing days. If things are busy at home in the morning, please plan to pick up breakfast at school.
