# MORE..MUSTANG SHOUT OUTS

- I would like to shout-out the nutrition services of BCMS. Last year, I interviewed a few of the ladies that work in the cafeteria. They care about what we eat, and they want to make lunch good for us. Even with the lack of money and inventory supplied, they still try their very best to make sure we are eating healthy everyday. They make sure we have a balanced meal with good amounts of carbs, sugars, proteins, etc. I'm sure they're working just as hard this year as they were last year. Thank you nutrition services and cafeteria workers!:)
- Amy Yoder is doing an amazing job leading the yearbook group. She spends her plan time and time after school taking pictures. She models for students to how create a top notch yearbook spread while also encouraging them to be creative. She is very patient, but also has very high standards!
- Ms. Mitko, you are a great teacher you really make me really understand what you teach by doing different ways
- Mrs. Pond is amazing! When you're feeling down and she notices she tries her best to make you feel better. Mrs. Pond is definitely one of my favorite teachers!

Awesome!
